Rev. Charles W. Dyer PASTOR UNIVERSITY PARK BAPTIST CHURCH 329 North 10th Avenue

"By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his giffs; and by it he being dead yet speaketh."

There is only one way to get on God's honor roll. Abel chose that way. His faith led him to offer the more excellent sacrifice, and by that act of faith he obtained the righteousness of God; a righteousness which we cannot inherit, but which is imputed.

The blessedness of this gift to man is described by David when he speaks of the blessedness of the man unto whom God imputeth righteousness without works saying, "Blessed are they whose iniquities are forgiven, and whose sins are covered. Blessed is the man to whom the Lord will not impute sin."

Man's need of righteousness is not only met by faith, but we read again, "The just shall live by faith."

The problems of life can be solved by faith. Faith never accepts defeat. Job, in the time of testing lost wealth, family and health. In faith he cried, "Though He slay me yet will I trust Him." Again, in the time of apparent failure he said, "I know that my redeemer liveth and that He shall stand in the latter day upon the earth: Whom I shall see for myself, and mine eves shall behold, and not another; though my reins be consumed within me."

We find in the record that faith delivered and all that he lost was restored twofold. Likewise, Enoch, Noah and Abraham found the answer in faith. God has given them to us as examples of victory through faith.
