

### New Ownership Makes Pioneer-town Optimistic

#### Fresh Growth Expected in Movie Village in Desert That Offers Western Settings

The faded stage frontier, which, in Valley, with the rest of the West, has been so and on, is again enjoying a new lease of life. The Pioneer town, which has been a movie village for many years, is now being redeveloped by a new ownership. The town, which is located in the San Bernardino mountains, is now being redeveloped by a new ownership. The town, which is located in the San Bernardino mountains, is now being redeveloped by a new ownership.

Mostly the same people live there and provide the crowd scenes and the action needed when the cameras are turning.

New Spirit of Optimism  
But there's a new spirit of optimism up and down the main street of Pioneer town, as the town's recent change in ownership has been made known.
