The Lighter Side

I'm sure that if I kept reading the Contemporary Britannica I'd catch an error. I was right. Yesterday, while hawking through Volume 17 (P to plan) I started reading about the State of Pennsylvania, popularly known as the Keystone State. The editor of the Britannica cover mentioned Pennsylvania's chief claim to fame.

WONDER PANTS

Each year, as regularly as apples are shipped from Oregon and New York, Pennsylvania sends you its boldest new lines and snugging back fields of the country.
