LOUELLA IN HOLLYWOOD

Kathryn Grayson Soon To Be Brunette Again

By LOUELLA O. PARSONS
HOLLYWOOD (NS) - At cocktail party, I sat Kathryn Grayson down in a corner and asked her for permission to change her hair...

"I suppose being a blonde does make you feel different," she admitted, "and a brunette as if you're living a different life."

I WANTED to tell Kate that she was glad to see her smiling but she had a photograph beautifully, and after all, that's what counts.

"The Grace Moore Story," she believes gives her career the greatest opportunity of her career...

"I'm sure you know, Louella," she said, "I was not every night that she stayed up late. When she had a job to do in opera or concert there was no one more meticulous as Grace about going to bed early and taking care of her beautiful voice."

"Selma Groto Band To Present Varied Program"
With Frank Pickard directing, Selma Groto Band will present a varied program at Metropolitan...

"I'm sure you know, Louella," she said, "I was not every night that she stayed up late. When she had a job to do in opera or concert there was no one more meticulous as Grace about going to bed early and taking care of her beautiful voice."
