

## Elks To Give Flag History In Ceremonies Monday

Still another fraternal organization has announced plans for participation in flag day ceremonies to be run off Monday at 7 p. m. in Williams Park.

The Elks Lodge will present a dramatic history of all the flags America has known. This will be climaxed by the mass presentation and planting of a tree of all fraternal, civic and veterans organizations.

Marching in color will be done in music by the Glee Band playing "Stars and Stripes Forever." This will be followed by "To The Colors" by the band trumpet.

The Flag Day Committee has announced that all organizations wishing to participate in the marching of colors should have the color bearers report with the parade to Mr. Dodge of the Grand Patrial at the fountain in Williams Park not later than 2 p. m. on Monday.

## In Hollywood 'Key Largo' To Be Shown 60 Days Ahead of Schedule

By EDITH GUYNN  
Jeanne Crain is New York's latest to join Ann Sothern and others of the cast of "Letter to Three Wives." They'll leave traces of showing a scene in N. Y. and around Stamford, Conn., but the picture will be finished here. The key figure in this little story is one who writes the letter.

The camp buildings have been renovated by volunteers from local carpenters union and the electric wiring has been renovated by a local electric company.

This is the 23rd season that the camp has been operated by the YMCA as a part of its program to build health and character in young people.

That new baby at the Great Letters certainly has a snap happy papa. For soon we're promised a picture of "The Great Letters" before she was 18 hours old.

"Key Largo" is a picture that is being prepared for release at the end of July. It is a picture that is being prepared for release at the end of July.

the dead tie as a potential study with Gregory Peck in "Bentley Square" in Summer stock. We keep hearing those unhappy rumors about the Pecks and hope they're not true.

When Bob Montgomery finished "Gene Tilden" he took his barn in New York State to make ready for Fall plowing. George Rath and Mickey Ross, last year Jimmy Cagney, also an Eastern farmer, helped out. That's a viddy story!
