

Budget Ski Holiday CANADA'S FLOWER SHOW

In European Resorts

The interest of American skiers to experience the thrills offered by the latest European resorts has created an ever increasing market for all ski lodges in these areas.

New England ski clubs in support of the European ski holidays. Plans have been chartered by the ski lodge members from Boston, and the indications are that several hundred members will take these trips.

The land arrangements—accommodations to be made in the ski regions, hotel and other accommodations, however, being made independently by the skiers.

Masses of Spring Bloom Parade Across Land

With a fine sense of timing, Canada's flower festivals always seem to reach their peak at the start of the holiday season—mid-May and early June.

If you're looking for masses of Spring flowers, the Annapolis Flower Festival will be held from May 15 to June 1.

CANADA

Roses Petalade in May, too, is always a wonderful trip. Across the city of St. Catharines, Ontario and Canada to the finest fruit growing beds of Ontario, and the Ontario West, they are 27 varieties in full bloom here.

It's a most picturesque region, as contrast with the fields of Ontario always the center of attraction to many of the flower shows.

Pioneertown, Movie Set, Inhabited by People

PIONEERTOWN, Calif.—Should anyone know of a pioneer town without a boulevard, the local main street is for him at \$25 a day, in this line of the house opera, however, it is called "Mane."

Mane is a picture of a movie set, inhabited by people. It was established in 1946 by Dick Curtis, a heavy of the silent house opera.

The reason for not driving on Mane at that it might be hired out that day to a movie company, for Pioneertown is in reality a movie set inhabited by people.

Some of Hollywood's "in the West" is the West. It is not anything from a time film movie through their best scenes.
