AIRPORT ASSOCIATES ASK POWER LINE RE-LOCATION

The Airports Association will be shorted by crossing airport of the state and many of the airports will be closed or will have to close plans for re-locations of the power lines.

In other discussion, Dr. John DeLoach stated that he would like to talk to officials of California Electric Power Co. in the Los Angeles area to see what can be done to re-locate power lines.

The introduction of re-locations of power lines will be made. This is the first step in the effort to keep all airports from being closed.
